**Bloodborne Pathogens:
The Complete Program**

(General Industry) (English) (25 Minutes)

As the name implies, this program covers all aspects of an Exposure Control Plan including information relating to Hepatitis B, C and HIV and ships with a written materials CD-ROM.

This program covers modes of transmission, PPE, safe work practices, emergency procedures and record keeping requirements.

This program utilizes the expertise of Dr. Jeffery Kahn, Liver Transplant Surgeon from the University of Southern California. Dr. Kahn discusses the different types of viruses and bloodborne pathogens in general.

This is an excellent training program for both medical and industrial use and can be used for training those individuals who reasonably anticipate occupational exposure. This program is presented in such a way that it is also a great training tool for those who do not anticipate occupational exposure.

Written Material CD-ROM includes:

- OSHA Bloodborne Pathogens Manual
- Bloodborne Pathogens Leader's Guide
- Bloodborne Pathogens Employee Handout
- BBP Exposure Control Plan Guidelines
- Exam and Answer Key

DVD: \$160.00 VHS: \$125.00

(CC)

Controlling Exposure to Bloodborne Pathogens

(General Industry) (English or Spanish) (20 Minutes)

Developed to meet training requirements for employees who reasonably anticipate exposure to blood or body fluids on the job. This applies to anyone who is trained in first-aid/CPR. Program includes a CD-ROM of *written materials.

Written Material CD-ROM (English Only) includes:

- OSHA Bloodborne Pathogens Manual
- Bloodborne Pathogens Leader's Guide
- Bloodborne Pathogens Employee Handout
- Exam and Answer Key

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

(CC)

Bloodborne Pathogens

(General Industry) (English or Spanish) (21 Minutes)

This program is developed with new standards and information relating to lifestyles, bloodborne pathogens transmission, prevention and standard precautions. Program includes a CD-ROM of *written materials. This program is appropriate for First Aid/CPR providers, as well as training for all employees in case of emergencies.

Written Material CD-ROM (English Only) includes:

- OSHA Bloodborne Pathogens Manual
- Bloodborne Pathogens Leader's Guide
- Bloodborne Pathogens Employee Handout
- Exam and Answer Key

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

1008b

(CC)

Bloodborne Pathogens in the Workplace

(General Industry) (English or Spanish) (11 Minutes)

Developed to meet training requirements for employees who do not reasonably anticipate occupational exposure to blood or body fluids on the job.

Written Material CD-ROM (English Only) includes:

- OSHA Bloodborne Pathogens Manual
- Bloodborne Pathogens Leader's Guide
- Bloodborne Pathogens Employee Handout
- Exam and Answer Key

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

1013b

Controlling Exposure to Bloodborne Pathogens

(Manufacturing) (English or Spanish) (18 Minutes)

Meets the training requirements for employees in a manufacturing facility who are designated as first aid/CPR trained or may be occupationally exposed to blood or body fluids contaminated with blood such as janitorial employees.

DVD: \$134.95 VHS: \$99.95

1015b (CC)
Bloodborne Pathogens for Non-Healthcare Workers

(General Industry) (English or Spanish) (14 Minutes)
This training program is designed for all employees regardless of their job to make them more aware of bloodborne pathogens. Helping an accident victim or providing CPR in an emergency could result in the transmission of illness such as HIV, or Hepatitis A, B or C. This program can help everyone reduce the risk of exposure to bloodborne pathogens. Program includes a CD-ROM of written materials (English Only).

- Bloodborne Pathogens Leader's Guide
- Bloodborne Pathogens Employee Handout
- Bloodborne Pathogens Instructors Manual
- Exam and Answer Key

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1011b
Emergency Responders Bloodborne Pathogens

(Police / Fire / EMS) (English or Spanish) (19 Minutes)
Designed for paramedics, EMTs, fire, police, correctional officers, first-aid/CPR, and other emergency personnel who might be exposed to blood and other potential hazards relating to BBP. Meets training requirements for Categories I and II employees who anticipate becoming occupationally exposed to blood and blood-contaminated products.

DVD: \$134.95 **VHS: \$99.95**

ccb1009
Bloodborne Pathogens in Childcare
(Childcare/Schools) (English or Spanish) (12 Minutes)
All teachers and child care providers should be trained in this important topic. First Aid is a normal function of providers when children get minor scrapes and small injuries, so it's extremely important to understand the basic of Bloodborne pathogens, for the protection of both providers and children.

DVD: \$160.00 **VHS: \$125.00**

7029a
Bloodborne Pathogens Updated
(Schools) (English or Spanish) (18 Minutes)
This program covers new standards and information relating to lifestyles, bloodborne pathogens transmission, prevention and standard precautions. Appropriate for first aid and CPR providers, as well as training for all employees in case of emergencies.

DVD: \$134.95 **VHS: \$99.95**

7097a
Bloodborne Pathogens for School Cafeteria Workers
(Schools) (English) (13 Minutes)
Designed as an information/training video for school cafeteria workers and other employees who normally are not exposed to blood or body fluids. This program is an important part of providing precautionary information to employees in school cafeteria settings.
DVD: \$160.00 **VHS: \$125.00**

c009m
Bloodborne Pathogens in Construction
(Construction) (English) (17 Minutes)
This program explains the precautions to take when administering first aid on a construction site. Designed to prevent exposure to HBV and HIV and other bloodborne illnesses.
DVD: \$104.95 **VHS: \$69.95**

10024a
Controlling Exposure to Bloodborne Pathogens
(Solid Waste Management) (English) (18 Minutes)
Developed to meet training requirements for solid waste employees who reasonably anticipate exposure to blood or body fluids on the job. This applies to anyone who is trained in first-aid/CPR.
DVD: \$134.95 **VHS: \$99.95**

6012a
Bloodborne Pathogens in Restaurants/Cafeterias
(Restaurants) (English Spanish) (12 Minutes)
This video is designed as an information/training video for employees who normally are not exposed to blood or body fluids. This training program shows how to deal with a situation in which a bloodborne pathogen could spread from one person to another.
DVD: \$134.95 **VHS: \$99.95**

5023a
Controlling Exposure to Bloodborne Pathogens

(Hotel / Motel) (English or Spanish) (17 Minutes)
Meets training requirements for persons working in hotel/motel/casino and service industries. Designed for workers identified as first-aid/CPR providers or whose jobs may expose them to blood or blood-contaminated body fluids, linens or clothing. Explains how to reduce exposure to BBP for employees in this industry and includes a CD-ROM of *written materials.

Written Material CD-ROM (English Only) includes:

- OSHA Bloodborne Pathogens Manual
- Bloodborne Pathogens Leader's Guide
- BBP Exposure Control Plan Guidelines
- Exam and Answer Key

DVD: \$134.95 VHS: \$99.95

1021b
Needlestick Prevention

(Healthcare) (English) (13 Minutes)
This program designed for anyone using needles or sharp objects in the performance of their duties, but primarily Healthcare Workers. Due to recent Federal Legislation and accompanying changes to OSHA's Bloodborne Pathogen standards, needlestick injury prevention is a continuing problem in Healthcare. New, safer needles are required, as are other "engineering controls" to help reduce the serious needlestick problem. This program explains the new standards and more importantly, demonstrates new needle design and safer needles that are now commercially available.

DVD: \$134.95 VHS: \$99.95

1022b
Updated Bloodborne Pathogens

(Healthcare) (English or Spanish) (12 Minutes)
This program updates the Bloodborne Pathogens standard information, including the new Federal Law: Needlestick Prevention Act; and OSHA's new enforcement action. The BBP standard has not changed. However, OSHA is targeting enforcement of Engineering controls. This means safer needles, surgical blade removal and other controls. This program is for those persons who are familiar with BBP rules and standards, but upgrades their knowledge on the new needlestick law and enforcement actions of OSHA and others.

DVD: \$134.95 VHS: \$99.95

1024b
BBP and Needlestick for Healthcare Workers

(Healthcare) (English or Spanish) (11 Minutes)
This is a short program that surveys the issues of exposure to Bloodborne pathogens and prevention of needlestick injuries for the healthcare worker.

These issues include universal precautions, exposure to BBP, who is at risk, appraising the risks, personal protection, and disposal of biohazards. New technologies, like re-engineered syringes, new laws, and recently proposed Federal Acts are also surveyed.

DVD: \$134.95 VHS: \$99.95

6-0026
Preventing Bloodborne Pathogens

(General Industry) (English) (5 Minutes)
A 5 minute short program on the basics of Bloodborne Pathogens

DVD: \$104.95 VHS: \$69.95
