1030h

Arc Flash Safety - NFPA 70E

(English or Spanish) (20 Minutes)

Under OSHA requirements, the NFPA 70E places additional requirements on all organizations to properly identify hazards and provide training for anyone who may work on, near or around electrical equipment.

Some of the specific requirements discussed in this arc flash video include:

- Understanding & reducing Arc Flash hazards
- Arc Flash protection
- Personal protective equipment requirements
- Required signs and labeling
- Training requirements
- Documentation requirements
- Work Permits

This arc flash program will provide information to train employees in Arc Flash Safety, meet OSHA requirements of the new NFPA 70E and help reduce the hazards associated with electrical arc flash and blasts.

Written Materials on CD-ROM Includes (English Only):

- Instructors Manual
- Exam and Answer Key

DVD: \$160.00 VHS: \$125.00

1048i

Electrical Safety Illustrated (Long Version)

(General Industry) (English or Spanish) (17 Minutes)

This is an excellent training program for all employees. Discusses electrical safety, grounding of electrical equipment, power/extension cords, double-insulation, 3-prong plugs, wires, and a good safety overview of electrical safety in the workplace. Applies to office workers as well as those in the industrial setting. Includes Exam & Answer Key on CD-ROM (English Only).

DVD: \$160.00 VHS: \$125.00

1049i

Electrical Safety Illustrated (Short Version)

(General Industry) (English or Spanish) (13 Minutes)

This program is a shortened version of 1048i for those organizations that like programs that are shorter than 14 minutes in length. This entire program is one of the best programs available on all aspects of electrical safety with great graphics/animations. Includes Exam & Answer Key on CD-ROM (English Only).

DVD: \$160.00 VHS: \$125.00

1016i

Basic Electrical Safety in the Workplace

(General Industry) (English or Spanish) (10 Minutes)

Program designed to make employees aware of basic electrical safety in the workplace. Review of safety requirements on plugs, cords, cables, disconnect switches, hand/power safety, and other electrical safety equipment.

DVD: \$160.00 VHS: \$125.00
