1050a

The New Lockout / Tagout

(General Industry) (English) (16 Minutes)

This updated version of Lockout Tagout is designed as a refresher for both Affected and Authorized personnel. The new ANSI Standard (released in 2003) on Lockout Tagout is discussed by Dr. Perry Huckabay, Risk Management Consultant and formerly the Director of the Texas Worker Compensation Commission. Perry outlines the changes and additions to the Lockout Tagout standards, which may affect companies who are required to comply with this safety standard. Includes written materials on CDROM.

DVD: \$160.00 VHS: \$125.00

1007b

(CC)

Personal Protective Equipment

(General Industry) (English or Spanish) (10 Minutes)

Emphasizes the importance of using personal protection when required. Addresses hard hats, gloves, eye protection, hearing protection, and other aspects of protective equipment. Includes written materials on CDROM (English only).

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1025b

Personal Protective Equipment - It's Your Call!

(General Industry) (English) (13 Minutes)

This video defines what PPE is and shows examples of how PPE should be used on a daily basis. This video explains that the worker must choose to use PPE every time; it also shows the consequence of not using PPE on every occasion. Includes written materials on CDROM.

DVD: \$160.00 VHS: \$125.00

Hazard Communication Package

(General Industry) (English or Spanish)

This Hazard Communication package includes:

- **1041A** HazCom (The Written Plan)
- **1042A** HazCom (Millennium)
- **CDROM** Written Materials CD (English Only)

The longer video (1041A, 26 Minutes) relates to the development of a comprehensive written HAZCOM plan, functions of the purchasing department as well as general Hazard Communications training. This version can be used as a tool to "train the trainer".

The shorter version (1042A, 16 Minutes) contains general Hazard Communications training information. This version does not elaborate on a written HAZCOM plan as most employees are not concerned with developing a written manual.

CD-ROM of written materials includes (English Only):

- Hazard Communication Manual
- Sample Written Hazard Communications Program
- Sample Lesson Plan
- Supervisor Communications Manual With Quiz
- Instructors Manual
- 318 jpeg photos
- Hazard Communications Exam & Answer Key
- Basic Chemical Safety Exam & Answer Key
- More!

DVD: \$219.95

VHS: \$149.95

1042a

Hazard Communication (Millennium)

(General Industry) (English or Spanish) (16 Minutes)

This program provides updated training in the areas of MSDS, labeling, physical and health hazards and information generally required for employee training. This is the short version. Includes written materials on CDROM (English only).

DVD: \$134.95

VHS: \$99.95

1041a

Hazard Communication (The Written Plan)

(General Industry) (English or Spanish) (26 Minutes)

This program provides updated information relating to a comprehensive HAZCOM written plan, including functions of the purchasing department, chemical storage, MSDS and proper labeling. This program concentrates heavily on what should be included in the written plan. Train the trainer with this program.

DVD: \$134.95

VHS: \$99.95

1023b

My Precious Eyes

(General Industry) (English or Spanish) (13 Minutes)
A gory program relating to eye protection. In this program we discuss diseases of the eye, approved eye protection and eye injury prevention. This graphic video shows a variety of eye traumas, eye diseases, and downright motivating scenes of eye injuries. Includes emergency treatment for different types of eye injuries. Good, solid information for eye injury prevention.

DVD: \$134.95 VHS: \$99.95

1018i
Safety is Your Responsibility

(General Industry) (English or Spanish) (14 Minutes)
Supplements training in exposure to general hazards. Explains safety basics such as clothing, jewelry hazards, personal protection, machine guarding, electrical safety, safe lifting, fire protection, and more. Can be used as an employee orientation program.

DVD: \$134.95 VHS: \$99.95

1022i
Accidents - "It Can't Happen to Me!"

(General Industry) (English or Spanish) (10 Minutes)
Contains realistic pictures of persons injured in the workplace. Designed to have an impact on employees with regard to the importance of safety. A warning should be given to the audience that the film contains graphic images of injuries.

DVD: \$134.95 VHS: \$99.95

1033i
High Impact
(General Industry) (English or Spanish) (12 Minutes)

This program shows graphic pictures of industrial injuries to illustrate the need for compliance with safety procedures. Viewers should be warned that this video contains extremely graphic pictures. This is the real thing.

DVD: \$134.95 VHS: \$99.95

1037i
High Impact II

(General Industry) (English or Spanish) (11 Minutes)

Another video program displaying photographs of seriously injured persons. Designed to stimulate safety thinking and actions. Includes arms, legs, hands and other topics that are routinely associated with work related injuries. This is a best selling program.

DVD: \$134.95 VHS: \$99.95

1041i
Cause and Avoidance of Accidents

(General Industry) (English) (15 Minutes)

This video looks at the causes of accidents and how companies can develop an "accident avoidance" system or program. Video is designed for employees to show how their unsafe acts or behavior are the cause of most accidents and how they can improve the reduction of accidents. Supervisors should also review this program for better safety performance results.
