**1047i** (Blood and Extreme Gore)

**What Happens When I Die? (Autopsy)**

(General Industry) (English) (13 Minutes)

This is the MOST DRAMATIC of all high-impact videos. For those trainers who use High Impact/Gory Stories programs to motivate employees for safety.

Program discusses safety, unsafe, acts/behavior, choices and death. Then, the student is taken completely through a real autopsy. Never before seen, explicit, very graphic, live moving video of an actual autopsy. If you are motivating for safety, accident prevention, drinking/driving prevention, teen awareness or other similar training, this program is a must and it will do the job!
