Hazard Communication Package

(General Industry) (English or Spanish)

This Hazard Communication package includes:

- **1041A** HazCom (The Written Plan)
- **1042A** HazCom (Millennium)
- **CDROM** Written Materials CD (English Only)

The longer video (1041A, 26 Minutes) relates to the development of a comprehensive written HAZCOM plan, functions of the purchasing department as well as general Hazard Communications training. This version can be used as a tool to "train the trainer".

The shorter version (1042A, 16 Minutes) contains general Hazard Communications training information. This version does not elaborate on a written HAZCOM plan as most employees are not concerned with developing a written manual.

CD-ROM of written materials includes (English Only):

- Hazard Communication Manual
- Sample Written Hazard Communications Program
- Sample Lesson Plan
- Supervisor Communications Manual With Quiz
- Instructors Manual
- 318 jpeg photos
- Hazard Communications Exam & Answer Key
- Basic Chemical Safety Exam & Answer Key
- More!

DVD: \$270.00 VHS: \$200.00

1041a
Hazard Communication (The Written Plan)

(General Industry) (English or Spanish) (26 Minutes)

This program provides updated information relating to a comprehensive HAZCOM written plan, including functions of the purchasing department, chemical storage, MSDS and proper labeling.
