Understanding People

(General Industry) (English) (24 Minutes)

Each supervisor and employee has different wants, needs, motivations, personalities, and work habits. Understanding more about people and how to interact or reach employees is the key factor in developing effective leadership skills. This program touches on Maslow, Herzberg, McGregor, Hawthorne studies, and other management theories. Supervisors can determine which theory best suit their needs to develop a unique style of leadership, blending their personality, education, and experience.

DVD: \$134.95 VHS: \$99.95

2002a

Supervisor Responsibility

(General Industry) (English) (19 Minutes)

Supervisors have a general understanding of their job and responsibilities, but this program is more specific, and it explains how to accept accountability for their actions. There is more than being "put in charge."
