Employee Safety Orientation Package

(General Industry) (English or Spanish)
(2 Programs and Written Materials)

Package Contents:

- **1039a** Orientation 2000 (45 Minutes)
- **1040a** Orientation 2000 (16 Minutes)
- **CD-ROM** Written Materials (English Only)

The first program is our 45 minute Orientation program and the second program is our 16 minute version for refresher training or for those employees who do not need the more detailed longer version.

Topics include:

- Job safety responsibilities
- Personal Protective Equipment (PPE)
- Safe lifting and Back Injury Prevention
- Hazardous Energy Source (Lockout/Tagout)
- Bloodborne Pathogens
- Sanitation and Personal Hygiene
- Ergonomics and Video Display Terminal Safety
- Machinery Operation
- Electrical safety

Written Material CD-ROM includes:

- Injury/Illness Prevention Manual
- Other manuals
- Employee booklet on EACH TOPIC covered
- 200 photos

DVD: \$220.00 **VHS: \$150.00**

hcp2000

Hazard Communication Package

(General Industry) (English or Spanish)

This Hazard Communication package includes:

- **1041A** HazCom (The Written Plan)
- **1042A** HazCom (Millennium)
- **CDROM** Written Materials CD (English Only)

The longer video (1041A, 26 Minutes) relates to the development of a comprehensive written HAZCOM plan, functions of the purchasing department as well as general Hazard Communications training. This version can be used as a tool to "train the trainer".

The shorter version (1042A, 16 Minutes) contains general Hazard Communications training information. This version does not elaborate on a written HAZCOM plan as most employees are not concerned with developing a written manual.

CD-ROM of written materials includes (English Only):

- Hazard Communication Manual
- Sample Written Hazard Communications Program
- Sample Lesson Plan
- Supervisor Communications Manual With Quiz
- Instructors Manual
- 318 jpeg photos
- Hazard Communications Exam & Answer Key
- Basic Chemical Safety Exam & Answer Key
- More!

DVD: \$270.00

VHS: \$200.00

1039a

DVD: \$134.95

VHS: \$99.95

1040a

Orientation 2000 (Short Version)

(General Industry) (English or Spanish) (16 Minutes)

This program contains a large number of topics, including Employee Safety Responsibility, PPE, Bloodborne Pathogens, Safe Lifting, Sanitation and Personal Hygiene, Electrical Safety, Machines And Equipment, Ergonomics and much more. This is the short version of 1039a.

DVD: \$134.95

VHS: \$99.95

1045a

Safety for Equipment Maintenance and Engineering

(General Industry) (English or Spanish) (15 Minutes)

This safety video gives an overview of the safe practices and principles for the professional engineer and maintenance person who work in and around machinery. Topics include; Slips and Falls, Ladder Safety, Fall Protection, Lockout/Tagout, Hearing Conservation, Hand Protection, Skin Protection and other safety guidelines that relate to working safely with machines.

DVD: \$160.00 VHS: \$125.00

1048a

Maintenance Mechanical Safety: Part 1

(General Industry) (English) (10 Minutes)

This is the first part of an excellent training program for maintenance persons, custodians, mechanics, and others that work in maintenance facilities. This video includes personal protective equipment, hand tools, wrenches, electrical tools, drilling & cutting, and potential hazards safety.

DVD: \$160.00 VHS: \$125.00

1049a

Maintenance Mechanical Safety: Part 2

(General Industry) (English) (16 Minutes)

Second part of a two part series, includes training on lockout/tagout, confined spaces, fire prevention, ladder safety, compressors, chemicals & hazardous materials, MSDS and Chemical Labeling. Excellent overview of each category and provides updated or annual refresher training for persons working in maintenance.

DVD: \$160.00 VHS: \$125.00

1041i

Cause and Avoidance of Accidents

(General Industry) (English) (15 Minutes)

This safety video looks at the causes of accidents and how companies can develop an "accident avoidance" system or program. This safety video is designed for employees to show how their unsafe acts or behavior are the cause of most accidents and how they can improve the reduction of accidents. Supervisors should also review this program for better safety performance results.

DVD: \$134.95 VHS: \$99.95

1031a (Humorous Program)

The Dark Ages Of Safety

(General Industry) (English) (12 Minutes)

The "best ever" for its subtle humor and safety message. Contains black and white footage from the National Archives showing the safety efforts from the 1920s, 1930s, and 1940s. It's non offensive, humorous, yet powerful motivation for safety education and obeying safety rules.

DVD: \$134.95 VHS: \$99.95

1033a

(CC)

What's Wrong With This Picture (I)

(General Industry) (English) (16 Minutes)

Fresh approach to video-based safety training. Students are asked to identify safety hazards in scenes from video clips. The segments are repeated with narration and graphics explaining what hazards or unsafe acts exist. This method utilizes employee participation to make the training more interesting.

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1005a

Workplace Safety Inspection Checklist

(General Industry) (English) (11 Minutes)

Overview of what workplace inspections are all about, how to complete inspection forms, and basics relating to unsafe conditions in any type of workplace.

DVD: \$134.95 VHS: \$99.95

1008a

Safety Committees - The Real Story

(General Industry) (English) (12 Minutes)

With limited time by the manufacturing industry, effective safety committees may be difficult to achieve. Safety committees can become a burden rather than providing a benefit. This program deals with effective safety committees within a limited amount of time.

DVD: \$134.95 VHS: \$99.95

1009a
How to Develop an Effective Safety Program

(General Industry) (English) (19 Minutes)

This tape explains how supervisors are the keys to any program and how to provide safety leadership in a manufacturing environment. Complete step-by-step program for successfully developing and implementing an effective safety program. These steps, when implemented, have reduced accidents and injuries by as much as 50% to 75%.

DVD: \$134.95 VHS: \$99.95

1010a
Documentation of Safety Efforts

(General Industry) (English) (11 Minutes)

Instructs supervisors and employees on the importance of providing written documentation for all training efforts. Regulatory and legal agencies are now requiring written documentation to prove that training and safety efforts are being accomplished. Outlines standards and how to meet those requirements.

DVD: \$134.95 VHS: \$99.95

1016a
Supervisor's Guide to Accident Investigation

(General Industry) (English or Spanish) (12 Minutes)

This video explains the importance of accident investigation reports and offers tips on investigation fact-finding techniques. Demonstrates the incorrect manner to conduct an employee interview after an accident, and provides "human behavior" tips.

DVD: \$134.95 VHS: \$99.95

1026a (CC)
How to Investigate and Accident

(General Industry) (English or Spanish) (13 Minutes)

Teaches supervisors the basics of accident investigation, and the important points to consider when developing facts for an accident report. This program includes a scenario of an accident investigation.

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1030a
Labor Management Safety Committees

(General Industry) (English) (15 Minutes)

This is an excellent training program for everyone in your organization regarding the proper operation of a safety committee.

DVD: \$134.95 VHS: \$99.95

1032a
Injury/Illness Prevention Plan

1044a
Shift Work and Preventing Fatigue

(General Industry) (English or Spanish) (17 Minutes)

More than 68 percent of all shift workers complain of lack of sleep and fatigue. This excellent training program is for those employees who work on swing, graveyard and/or changing shifts. Developed with assistance from the Department of Transportation (DOT) research. Designed to explain the necessity for sleep, repayment of sleep debt, how circadian rhythms work, and what people can do to reduce the effects of shift work fatigue due to disruption of sleep cycles.

DVD: \$160.00 VHS: \$125.00

1018a
Workers' Compensation: The Injured Worker

(General Industry) (English) (8 Minutes)

In California, every injured employee must be notified of Workers' Compensation rights and benefits at the time of injury. This program was developed to meet statutory labor code notification requirements. Notification of rights and benefits are essential to preclude additional employer potential liability and also serves a moral responsibility to alert the employer of benefits, which often result in the less litigated workers' compensation cases.

DVD: \$134.95 VHS: \$99.95

1021a

Workers' Compensation Fraud

(General Industry) (English or Spanish) (12 Minutes)

This program targets all employees and explains the Workers' Compensation concept, how this program benefits both the employer and employee. Explains filing a fraudulent workers' compensation claim by an employee in any state is fraud.

DVD: \$134.95 VHS: \$99.95

1046a

Industrial Workstation Ergonomics

(General Industry) (English or Spanish) (13 Minutes)

Covers various ergonomic topics as they relate to the industrial workstation. This includes musculoskeletal disorders (MSDs), identifying the symptoms of ergonomic injuries, surveying adjustable workstations, implementing ergonomic solutions, and lifestyle/habit changes that can prevent ergonomic injuries.

DVD: \$160.00 VHS: \$125.00

1036a (Humorous)

"Book 'Em Danno"

(General Industry) (English) (17 Minutes)

This is a humorous video which is a takeoff of a 1940s private investigator character who reports to work early and walks around the workplace detecting numerous hazards. Guaranteed to "spark" any safety training program, yet improve safety awareness for all employees. (Not offensive to any audience).

DVD: \$134.95 VHS: \$99.95

1021i

Housekeeping in Manufacturing

(General Industry) (English or Spanish) (10 Minutes)

An important aspect of safety is housekeeping. Emphasizes everyone's cooperation and effort in keeping their workplace clean, orderly, and safe.

DVD: \$134.95 VHS: \$99.95

1022a

Americans with Disabilities Act (ADA)

(General Industry) (English) (14 Minutes)

The Americans With Disabilities Act (ADA) became a law on July 26, 1990. The law prohibits discrimination against qualified people with disabilities in employment, public services and transportation, public accommodations, and telecommunications. This program explains the requirements that are applicable to all states. This program can be used to train management, supervisors, and employees

DVD: \$134.95 VHS: \$99.95

1051a

Stopping Ergonomic Injuries

(General Industry) (English) (11 Minutes)

This program is designed for both manufacturing and office environments, as it explains the methodology of developing an effective Ergonomic Safety Program and what employees and management can do to stop or prevent ergonomic injuries.

DVD: \$160.00 VHS: \$125.00
