

1001h
Health Factors in Welding Operations

(General Industry) (English) (28 Minutes)
Excellent program for welders. Explains a variety of precautions, possible health problems involved in welding operations, and tips on how to generally improve the employee's health.

DVD: \$134.95 **VHS: \$99.95**

1002h (CC)
Cranes, Chains, Slings & Hoists Safety

(General Industry) (English or Spanish) (12 Minutes)
Designed for anyone operating job hoists or cranes. The program explains sling angles, safety techniques, inspection procedures, and more. Anyone operating this equipment must be trained. This program meets OSHA training requirements.

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1003h (CC)
Machine Guarding & Conveyor Safety

(General Industry) (English or Spanish) (12 Minutes)
Emphasizes machine guarding is not foolproof and requires employee responsibility when working with machinery and moving parts. The last segment of the program addresses safety concerns regarding employees who work with or near conveyor systems. Includes a CDROM of Written Materials (English Only).

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1005h
Maintenance Person Safety

(General Industry) (English) (14 Minutes)
Designed for mechanics and maintenance persons, and explains some of the more important safety requirements of this trade. Covers electrical safety, machine guarding, and other required training subjects.

DVD: \$134.95 **VHS: \$99.95**

1007h (CC)
Hand and Power Tool Safety

(General Industry) (English or Spanish) (13 Minutes)
This is an excellent program to help reduce injuries when using hand and power tools. Explains electrical safety, impact tools, wrenches, cheater bars, and miscellaneous safety when using hand and power tools. Emphasizes safety behavior and attitude. Includes a CDROM of Written Materials (English Only).

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1008h (CC)
Portable Grinders & Abrasive Wheels

(General Industry) (English or Spanish) (12 Minutes)
Grinders and abrasive wheels are common and dangerous tools. If improperly used, grinders can explode like hand grenades. This video explains safe use, procedures, and maintenance of grinders and abrasive wheels.

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1009h (CC)
Safe Use of Compressed Gas Cylinders

(General Industry) (English or Spanish) (8 Minutes)
Designed for anyone using compressed gas cylinders. Explains basic safety procedures, compressed gas cylinder hazards, and how to properly use these cylinders.

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1010h (CC)
Safe Handling of Compressed Gas Cylinders

(General Industry) (English or Spanish) (9 Minutes)
Explains how to handle cylinders, proper storage, and general safe handling procedures.

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

Check out our no hassle preview policy at

1011h (CC)
Arc Welding Safety

(General Industry) (English or Spanish) (11 Minutes)
An excellent review of ARC welding safety, safety hazards, and health hazards associated with this type of welding operation.

DVD: \$134.95 **VHS: \$99.95**
(Add \$35 for Closed Captioning on DVD or Video)

1012h
Gas Welding Safety

(General Industry) (English or Spanish) (14 Minutes)
When using fuel gas welding and cutting, safety is an integral part of any operation. Program explains cylinder connections, valves, "cracking," and basic safety procedures when using fuel gas welding and cutting.

DVD: \$134.95 **VHS: \$99.95**

1029h

Oxygen - Acetylene Welding Safety

(General Industry) (English) (10 Minutes)

This is an excellent video that discusses welding with an Oxygen Acetylene torch. This video teaches you the proper way to turn on the torch, light it and then turn it off after use. This videos shows a step by step procedure for working with this type of torch. The video also discusses the proper PPE to use when working with one of these torches.

DVD: \$160.00 VHS: \$125.00

1014h

Cutting Torch Safety

(Construction / Public Works) (English) (10 Minutes)

Excellent program to increase safety awareness for anyone using or handling acetylene torches, specifically in cutting operations. Emphasizes valves, pressure gauges, hoses, cylinders, and cutting operation safety.

DVD: \$134.95 VHS: \$99.95

1031h

Hot Work Permits

(General Industry) (English) (9 Minutes)

Excellent training program and reinforcement for the need of hot work permits. Details what is required, purpose of hot work permits and how to develop and use hot work permits. New cd-rom of written materials including leaders guides, scripts, questions & answers, and manuals.

DVD: \$160.00 VHS: \$125.00

1015h

Hazardous Materials / Maintenance Department

(General Industry) (English) (27 Minutes)

Excellent program for anyone working in a repair shop, maintenance facility or other general maintenance area. Explains the safety basics for working with a variety of chemicals and hazardous materials, e.g., solvents, flammables, glues, gases, and other potentially hazardous materials.

DVD: \$134.95 VHS: \$99.95

1016h

Machine Guarding Responsibility

(General Industry) (English or Spanish) (9 Minutes)

Emphasizes an individual's responsibility when working with machines and equipment. Discusses control of hazardous energy source (lockout/ tagout), machine guarding requirements, and personal responsibility when working around moving parts of machines.

DVD: \$134.95 VHS: \$99.95

1018h

Ground Fault Circuit Interrupters (GFCI)

(General Industry) (English or Spanish) (11 Minutes)

Excellent program that discusses what GFCI's are all about. Explains how they work, and the general safety procedures for protecting against electrical shock.

DVD: \$134.95 VHS: \$99.95

c1s2000

Confined Space Entry Package

(General Industry / Construction) (English or Spanish)
(2 Programs & Written Materials)

- **1020h** - Confined Space Entry
- **1021h** - Confined Space: The Silent Killer!
- **csecd** - CD-ROM of written materials *

Subjects covered include atmospheric testing, ventilation, rescue procedures and attendant training.

Written Materials on CD-ROM Includes (English Only):

- Excavation & Trenching Project Manager's Manual
- Excavations Manual
- Confined Space Entry Program
- Fall Protection Manual
- Other Manuals
- Confined Space Entry Exam and Answer key
- Over 240 Jpeg photos

DVD: \$265.00 VHS: \$195.00

1020h (CC)

Confined Space Entry

(General Industry) (English or Spanish) (18 Minutes)
Confined spaces are responsible for many deaths every year due to lack of training. This video addresses the risks and operational safety standards for confined spaces commonly found in public works and construction such as testing, ventilation, and rescue procedures. Written Materials on CD-ROM Includes (English Only):

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1021h
Confined Space Entry: The Silent Killer!

(General Industry) (English or Spanish) (18 Minutes)
This programs major emphasis is on the role of the ATTENDANT. Attendant training is very important and this program is a must for your confined space entry training. Includes Written Materials on CD-ROM (English only).

DVD: \$134.95 VHS: \$99.95

1024h (CC)

Power Saw Safety

(General Industry) (English or Spanish) (12 Minutes)
This is an excellent training program for all employees. Discusses electrical safety, grounding of electrical equipment, power/extension cords, double insulation, three-prong plugs, wires, and a good safety overview of electrical safety in the workplace. Applies to office workers as well as those in industrial settings.

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1025h (CC)

Safe Operation of Overhead Cranes and Hoists

(General Industry) (English or Spanish) (12 Minutes)
This new training program is designed to educate and reinforce crane and hoist operator responsibilities. Program includes a range of safety tips, including lifting/lowering loads, signaling, crane and hoist inspections, rigging requirements, sling angles and generally, how to avoid accidents with cranes and hoists.

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1026h
High Voltage Electrical Safety

(General Industry) (English or Spanish) (29 Minutes)
Get a thorough look at issues of electrical safety. Good for all types of workers, contractors, and electricians. Topics covered include: shocks, hazards, protective devices/equipment, general electrical rules, working on energized and de-energized systems, work/equipment above 600 volts, as well as related hazards like fires and toxic fumes. Proper tool usage, first aid, and rescue are also covered as they relate to electricity.

DVD: \$160.00 VHS: \$125.00

1048a
Safety in the Maintenance Department (Part I)

(General Industry) (English) (10 Minutes)
This is the first part of an excellent training program for maintenance persons, custodians, mechanics, and others that work in maintenance facilities. This video includes personal protective equipment, hand tools, wrenches, electrical tools, drilling & cutting, and potential hazards safety.

DVD: \$160.00 VHS: \$125.00

1049a
Safety in the Maintenance Department (Part II)

(General Industry) (English) (16 Minutes)
Second part of a two part series, includes training on lockout/tagout, confined spaces, fire prevention, ladder safety, compressors, chemicals & hazardous materials, MSDS and Chemical Labeling. Excellent overview of each category and provides updated or annual refresher training for persons working in maintenance.

DVD: \$160.00 VHS: \$125.00
