1007e (CC)
Safety and the Supervisor

(General Industry) (English) (20 Minutes)
Supervisors are responsible for safety, not the company safety manager. Explains a safety program, how the supervisor's actions, enforcement of safety rules, and legal responsibilities are the key factors in an effective program.

Includes a CDROM of written materials (English Only).

DVD: \$134.95 VHS: \$99.95

(Add \$35 for Closed Captioning on DVD or Video)

1005g
Supervisors & Forklift Training

(General Industry) (English) (14 Minutes)
This program designed for supervisors who must oversee forklift operators. It's important that supervisors know the rules and requirements before they can successfully oversee forklift operators who have been trained and authorized to operate this type of equipment. Lack of supervisor knowledge about forklift rules and the non-enforcement of these rules can lead to accidents and injuries. Mildly humorous.

DVD: \$134.95 VHS: \$99.95

1020i
The Training Instructor

(General Industry) (English) (12 Minutes)
Teaches supervisors and training instructors how to develop a lesson outline, make a presentation, proper documentation of safety training efforts, and more.

DVD: \$134.95 VHS: \$99.95

1040i
Supervisor Responsibility in Injury Claims

(General Industry) (English) (15 Minutes)
Program teaches job responsibilities when filing injury claims. Paperwork is extremely important, particularly if the injured employee doesn't get paid on time, doesn't understand benefits, complains, seeks an attorney and the company doesn't meet Federal/State accident reporting requirements.

DVD: \$134.95 VHS: \$99.95

1010a
Documentation of Safety Efforts

(General Industry) (English) (11 Minutes)
Instructs supervisors and employees on the importance of providing written documentation for all training efforts. Regulatory and legal agencies are now requiring written documentation to prove that training and safety efforts are being accomplished. Outlines standards and how to meet those requirements.

DVD: \$134.95 VHS: \$99.95

1009a
How to Develop an Effective Safety Program

(General Industry) (English) (19 Minutes)
Designed for supervisors and middle management. This tape explains how supervisors are the keys to any program and how to provide safety leadership in a manufacturing environment. Complete step-by-step program for successfully developing and implementing an effective safety program.

DVD: \$134.95 VHS: \$99.95

1007a

OSHA Log 300 (Recordkeeping)

(General Industry) (English) (13 Minutes)

Program explains the mysteries of the new OSHA log 300 form as well as accident investigation, proper completion of records, and the procedure for hospital/clinic visits and follow up paperwork. A Good program for administrative personnel, supervisors, and those persons charged with maintaining safety, training records, as well as insurance-related reports.

DVD: \$160.00 VHS: \$125.00

2027a

Security Awareness for Management

(Hospitality / Hotel / Motel) (English) (20 Minutes)

This training program teaches hospitality managers how to be more aware of security and their surroundings. Discusses what to do incase a suspicious person or item is found in a hotel. Teaches managers how to plan for an emergency, what to do incase a weapon or bomb is found in the hotel. Talks about three levels of security and what should be done at each level to properly protect guests.

DVD: \$160.00 VHS: \$125.00
