Violence on the Job

(General Industry) (English) (8 Minutes)

Violence on the job appears in the headlines almost daily around the country. This video provides insight into the different trades mostly associated with violence on the job, but also encourages any worker to be aware of their surroundings and environment to help prevent violence.

DVD: \$160.00 VHS: \$125.00

1064i

Working with Stress

(General Industry) (English) (12 Minutes)

Encourages workers to take a look at their jobs and working environment to determine better ways of reducing stress. Researchers have proven that stress relates negatively to sickness, diseases, cardio problems and even back stress and musculoskeletal problems. Stress can be reduced with proper planning and more importantly, input from everyone in the workplace.

DVD: \$160.00 VHS: \$125.00

1037a

Homicide in the Workplace

(General Industry) (English) (17 Minutes)

Program focuses on the trend in deaths occurring in the workplace. More people are being killed by violence at work than actual on-the-job injuries. This program was commissioned by Texas Workers' Compensation Commission, and explains the problem and how to protect employees.

DVD: \$134.95 VHS: \$99.95
