1018g

Forklift Site Specific Modules

(General Industry) (English or Spanish)
(6 full length programs on 1 Video or DVD)

The new OSHA rules require that forklift operators be trained in "site specific" hazards to which they may be exposed. We have developed this program to help meet the following requirements with complete full length programs on these topics:

- **1046f** Carbon Monoxide Poisoning
- **1013g** Electric Pallet Jacks
- **1010g** Battery Charging
- **1011g** Propane Safety
- **1003g** Forklifts and Pedestrians
- **1008g** Walkie Stackers

Check out the savings!!

If purchased individually, these 6 programs would cost over \$800 on DVD! **This offers you a savings of about \$579!**

We suggest purchasing this program with the pk2000 package listed above.

DVD: \$230.00 VHS: \$195.00

1019g

Training for Experienced Forklift Operators

(General Industry) (English or Spanish) (16 Minutes)

1020g

Forklift Attachments

(General Industry) (English) (10 Minutes)

This video is a wonderful way to train all persons who work on or around forklifts and who deal with the use of attachments. It showcases the importance of inspecting all equipment used, safe and proper storage procedures and the safe way of traveling with materials.

DVD: \$160.00 VHS: \$125.00

1016g

Forking Around (Humorous)

(General Industry) (English) (10 Minutes)

From our "what's wrong with this picture" series, students are asked to identify the safety hazards in video clips. The video clips are then played back with narration and graphics depicting the errors. (This program is mildly humorous).

DVD: \$134.95 VHS: \$99.95

1012g

Order Stacker Safety

(General Industry) (English or Spanish) (12 Minutes)

This electric powered vehicle is unique because it allows the operator to be elevated with the forks as they are raised and lowered. This program covers the specific safety rules, safe operating procedures and general operating principles associated with order stacker operations.

DVD: \$134.95 VHS: \$99.95

1007g

Safety of People & Equipment in Warehouse Operations

(General Industry / Warehouse) (English or Spanish)
(10 Minutes)

This program highlights the relationship of forklift operators and other workers for their equal responsibility in providing a safe environment. Stresses the responsibility of safety for every employee, not just equipment operators.

DVD: \$134.95 VHS: \$99.95

1003g

Forklift and Pedestrian Safety

(General Industry / Warehouse) (English) (6 Minutes)

Designed for non-forklift operators. Covers basic forklift operating rules, how to co-exist in the workplace with forklift operations. Good program for non-operators in warehouse, distribution settings.

DVD: \$160.00 VHS: \$125.00
