

1001h
Health Factors in Welding Operations

(General Industry) (English) (28 Minutes)
Excellent program for welders. Explains a variety of precautions, possible health problems involved in welding operations, and tips on how to generally improve the employee's health.

DVD: \$160.00 VHS: \$125.00

1009h (CC)
Safe Use of Compressed Gas Cylinders

(General Industry) (English or Spanish) (8 Minutes)
Designed for anyone using compressed gas cylinders. Explains basic safety procedures, compressed gas cylinder hazards, and how to properly use these cylinders.

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

(888) 443 - 1600

1010h (CC)
Safe Handling of Compressed Gas Cylinders

(General Industry) (English or Spanish) (9 Minutes)
Explains how to handle cylinders, proper storage, and general safe handling procedures.

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

1011h (CC)
Arc Welding Safety

(General Industry) (English or Spanish) (11 Minutes)
An excellent review of ARC welding safety, safety hazards, and health hazards associated with this type of welding operation.

DVD: \$134.95 VHS: \$99.95
(Add \$35 for Closed Captioning on DVD or Video)

1012h
Gas Welding Safety

(General Industry) (English or Spanish) (14 Minutes)
When using fuel gas welding and cutting, safety is an integral part of any operation. Program explains cylinder connections, valves, "cracking," and basic safety procedures when using fuel gas welding and cutting.

DVD: \$134.95 VHS: \$99.95

1029h
Oxygen - Acetylene Welding Safety

(General Industry) (English) (10 Minutes)
This is an excellent video that discusses welding with an Oxygen Acetylene torch. This video teaches you the proper way to turn on the torch, light it and then turn it off after use. This video shows a step by step procedure for working with this type of torch. The video also discusses the proper PPE to use when working with one of these torches.

DVD: \$160.00 VHS: \$125.00

1014h
Cutting Torch Safety

(Construction / Public Works) (English) (10 Minutes)
Excellent program to increase safety awareness for anyone using or handling acetylene torches, specifically in cutting operations. Emphasizes valves, pressure gauges, hoses, cylinders, and cutting operation safety.

DVD: \$134.95 VHS: \$99.95

9018a
Health & Safety Factors in Welding Operations

(Automotive) (English) (27 Minutes)
Excellent program to educate welders on potential health and safety concerns in this occupation.

DVD: \$160.00 VHS: \$125.00

10044a
Arc Welding Safety

(Solid Waste Mgt.) (English or Spanish) (11 Minutes)
An excellent review of ARC welding safety, safety hazards, and health hazards associated with this type of welding operation.

DVD: \$134.95 VHS: \$99.95

10045a
Gas Welding Safety

(Solid Waste Mgt.) (English or Spanish) (14 Minutes)
Program explains cylinder connections, valves, "cracking," and basic safety procedures when using fuel gas welding and cutting.

DVD: \$134.95 VHS: \$99.95

10047a

Cutting Torch Safety

(Solid Waste Management) (English) (10 Minutes)

Excellent program to increase safety awareness for anyone using or handling acetylene torches, specifically in cutting operations. Emphasizes valves, pressure gauges, hoses, cylinders, and cutting operation safety.

DVD: \$134.95

VHS: \$99.95

c009e

Gas Welding Safety

(Construction) (English or Spanish) (14 Minutes)

Excellent program for experienced and inexperienced gas welders. Explains basic safety rules, operating procedures and makes these craft specialists more aware of their safety responsibilities. Strongly supports fire prevention.

DVD: \$134.95

VHS: \$99.95

c010e

Safety Factors in Arc Welding Operations

(Construction) (English or Spanish) (11 Minutes)

Excellent program for all persons operating arc welding machines and equipment. Basic safety rules, operating procedures and improves the awareness of each person's individual responsibility when operating this equipment. Strongly supports fire prevention.

DVD: \$134.95

VHS: \$99.95

c011e

Safely Using Compressed Gas Cylinders

(Construction) (English or Spanish) (8 Minutes)

This program explains the potential hazards and procedures necessary for using and handling compressed gas cylinders.

DVD: \$134.95

VHS: \$99.95

c012e

Compressed Gas Cylinders Handling & Using

(Construction) (English or Spanish) (10 Minutes)

Emphasizes the need for proper storing of compressed gas cylinders. Specific rules, procedures and general safety measures required when storing these cylinders.

DVD: \$134.95

VHS: \$99.95

c013e

Portable Grinders and Abrasive Wheels

(Construction) (English or Spanish) (13 Minutes)

Excellent program for anyone using or handling portable grinders and abrasive wheels. General safety rules, ring testing, handling of abrasive wheels and how to prevent injuries associated with this equipment.

DVD: \$134.95

VHS: \$99.95

c006h

Health Factors in Welding Operations

(Construction) (English) (28 Minutes)

This program is designed to explain health hazards in welding operations and how to make the job safer and healthful by following industry safety and health procedures.

DVD: \$160.00

VHS: \$125.00

1031h

Hot Work Permits

(General Industry) (English) (9 Minutes)

Excellent training program and reinforcement for the need of hot work permits. Details what is required, purpose of hot work permits and how to develop and use hot work permits. New cd-rom of written materials including leaders guides, scripts, questions & answers, and manuals.

DVD: \$160.00

VHS: \$125.00

1026h

High Voltage Electrical Safety

(General Industry) (English or Spanish) (29 Minutes)

Get a thorough look at issues of electrical safety. Good for all types of workers, contractors, and electricians. Topics covered include: shocks, hazards, protective devices/equipment, general electrical rules, working on energized and de-energized systems, work/equipment above 600 volts, as well as related hazards like fires and toxic fumes. Proper tool usage, first aid, and rescue are also covered as they relate to electricity.

DVD: \$160.00

VHS: \$125.00

1008h

Portable Grinders & Abrasive Wheels

(General Industry) (English or Spanish) (12 Minutes)

Grinders and abrasive wheels are common and dangerous tools. If improperly used, grinders can explode like hand grenades. This video explains safe use, procedures, and maintenance of grinders and abrasive wheels.

DVD: \$160.00

VHS: \$125.00

(Add \$35 for Closed Captioning on DVD or Video)
